Word of Prestige's expertise and rapid response have spread like wildfire within the Job centre network. May/June has seen an influx of work from job centres, not just from current locations but increasingly from across the UK. At the rate of 2 new locations a week, is a phenomenal response. Castleford, Portsmouth and Prestwich are just a few new centres using the Face to Face and BSL Interpreting service contract that Prestige has in place with JCP.

Royal Berkshire Hospital NHS Foundation Trust launched a new text message service to send out appointment reminders in a bid to reduce the rate of missed appointments. A message will be sent to remind patients 72hrs before their appointment. Prestige have encouraged hospitals around the UK to try this service. Also to include messages in Polish, Bulgarian, Urdu. Revolutionary service making the appointment system modern and efficient for all, regardless of whether English is their first language or not.

John D Dickens (left) has been appointed as a Non Executive Director of Prestige Network Ltd. John has been working with Prestige for several years as a management consultant. His career has been varied and international, including holding Director level appointments in Rockwell International and News International. At News International he managed the start up of the Sky TV subscribers call centre and Smart Card manufacturing plant, achieving results through team building and leadership. Commenting on his new role, John said, "I am pleased to be part of the team that is geared to develop the company to be at the forefront of language services."

Saturday 23rd June saw the St Gabriel's School Summer Fete, Newbury. An afternoon of fun, activities and performances put on by the students and children. Staff from Prestige Network attended as the main sponsors of the event. CEO, Shoreh Fleming (right) attended and showed off her skills at archery by getting a bulls eye!

1st July saw the , in Newbury. A member of our Prestige staff ran the race with support from Prestige It was a fantastic day and Prestige will be sponsoring staff again next year.

is on a mission to raise £25,000 for Newbury & District Cancer Care Trust and the Charles Clore Unit. 28 people, including one Prestige member of staff, will be taking on the 3 Peaks Challenge, on the weekend of 21/22nd July. Prestige is showing their backing by making a donation.

With all of the new services and aides being produced, we have gone the next step ahead to develop a library making them easily available. The Free Resources web link will take you to a number of reference materials that will assist language communication. The will help identify up to 62 different types. Developed for use with the Refugee Council, London. We have also developed a card which was developed for the NHS.

Many topics in the recent press have suggested that the funds the government use for translation, should be cut, if not removed completely. Translation services are there to establish a link to our non English speaking community. This is a valuable service and vital to the function of any company that operates with a multi-national clientele. Prestige Network is the only language provider that offers translators and language teaching. We have language teachers who are ESOL qualified to teach English while being able to communicate in another language!
